

“ NanoExplorers: A High School Summer Science Academy”

**JUNE 3-9, 2018
HIGH SCHOOL SCIENCE AND MATHEMATICS ACADEMY
DEPARTMENT OF CHEMISTRY, PHYSICS & ENGINEERING
CAMERON UNIVERSITY, LAWTON, OKLAHOMA 73505-6377**

"NanoExplorers: A High School Summer Science Academy", is designed for Oklahoma high school students who have completed their **freshman, sophomore or junior year in the Spring of 2018**. The program will introduce several aspects within the fields of Science Engineering through the use of academic projects that are designed to stimulate creativity, and be fun! The academy is funded by the **Oklahoma State Regents for Higher Education (OSRHE) and Cameron University**, so there is **NO CHARGE** to participants. All project supplies and equipment, instruction by CU faculty, lunches, and transportation to scheduled activities during the academy will be provided. Assistance for transportation to and from the campus may be provided, based on need. The academy takes place **June 3-9, 2018** and includes meals and university housing. For more information contact, E. Ann Nalley **(580-581-2889, 495-659.8425, or via email at annn@cameron.edu)**

Name (Last) _____ (First) _____ SS# _____

Home Address _____ Phone: (_____) _____

City _____ County _____ State _____ Zip _____ Email _____ @ _____

Signed: _____ Date: _____, 2018

Mailing instructions on the back

Several hundred Oklahoma students are applying for State Regents Summer Academies. Students attending more than one State Regents Summer Academy may prevent many other students from having this opportunity. Although some Academies do not have waiting lists, others have very long waiting lists.

So that more students may attend a State Regents Summer Academy, I will notify Academy Directors if I am accepted for more than one 2018 Academy.

Applicant Signature _____

Instructions: Please complete the application, sign and mail or FAX the application to:

NanoExplorers Summer Science Academy
DEPARTMENT OF CHEMISTRY, PHYSICS & ENGINEERING
Cameron University
226 Sciences Complex
Lawton, OK 73505
FAX number: 580-581-7958

The applications must be postmarked by April 15, 2018 and received prior to April 21, 2018. We will begin notifying selected applicants by May 15, 2018.
